ABOUT THE COLLEGE

National Post Graduate College, established in 1974 by Late Chandra Bhanu Gupta, is a prestigious autonomous college in Lucknow, Uttar Pradesh. It offers undergraduate and postgraduate courses in Arts, Commerce, Science, and Computer faculties, as well as professional management programs and skill development programs under DeenDayal Upadhyay Kaushal Kendra. The college is located in the city center, close to the banks of the river Gomti, and has a beautiful campus surrounded by major institutions.

The college provides state-of-the-art educational facilities, including well-equipped labs, a computerized library, and an air-conditioned reading room. It also offers distance learning programs, consultation classes, and remedial sessions. Outreach activities include NSS and NCC programs, and rigorous training in indoor and outdoor sports. The college aims to provide quality education and instill virtues of discipline, dedication, and good citizenship in students.

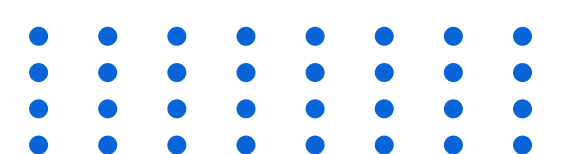

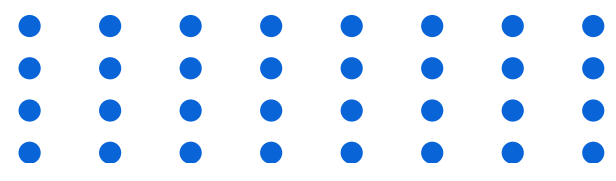

ABOUT THE PLACEMENT CELL

The National Post Graduate College's placement cell has a new structure, comprising 8 teacher coordinators, 19 students, and 3 executives. The cell's goal is to invite companies to the college, providing opportunities for final year and other students through internships and training programs. The cell ensures a smooth recruitment process for both the students and visiting companies.

The college's placement cell aims to invite and provide opportunities for companies to recruit students through various events and programs. The cell also focuses on enhancing students' skills and preparing them for the industry. Recruiters can expect industry-ready students with excellent academic knowledge and practical approach.

MESSAGE FROM PRINCIPAL

Prof. Devendra Kumar Singh
Principal

Salutations from National Post Graduate College.

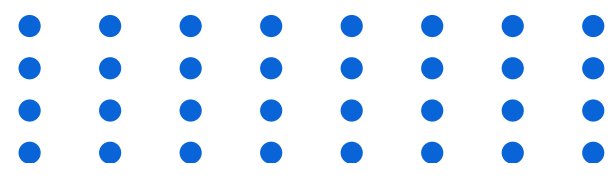

Penning down this message about the significance of our prestigious institution as well as the vital role of our Placement Cell, gives me immense pride and joy.

Our college believes in holistic education, where academic excellence is complemented by character development, leadership skills, and a strong sense of social responsibility.

LNPGC takes pride in its alumni's glitter and a successful track of placements. From providing inter-school training, to giving opportunities of professional interviews, the college leaves no stone unturned, to help students correlate with prospective employers.

The Placement Cell, driven by students, serves as the bridge between their academic journey and the professional world. It dedicates to improve the abilities, provide them exposure to the business, and put them in equivalence with top companies. Our students put forth a lot of effort to build relationships with prime business organisations.

It is a pleasure for me to be in charge of this prestigious university. I'm dedicated to create a climate that values respect for one another, academic achievement, and personal development. Warm regards to all, and I look forward to our collective journey of growth and success.

MESSAGE FROM MANAGER

Mr. Ujjwal Raman Singh
Manager

Welcome to the esteemed halls of National Post Graduate College, where academic excellence converges with a commitment to shaping successful futures. As the Manager, I feel the responsibility of providing transformative educational experience to the students. National PG College is not merely an institution; it's a Launchpad for promising careers. Our unwavering focus extends beyond the classroom, into the dynamic realm of professional placements. Our Placement Cell has proven to be a beacon of success. We take pride in cultivating strong industry connections that pave the way for our students' seamless integration into the professional landscape.

At National PG College, we understand the evolving demands of the job market. The Placement Cell, reflective of our commitment, diligently facilitates connections with leading companies, ensuring that our graduates and post graduates step confidently into their chosen careers. Join us on this journey where academic aspirations meet real-world success, creating a legacy of empowered and accomplished individuals. National PG College: Nurturing Minds, shaping future. My heartfelt regards to all as we venture together on the path to success and fulfillment.

MESSAGE FROM COORDINATOR

Dr. Shalini Lamba
Placement Coordinator

Greetings recruiters,

National P.G. College's Placement Cell cordially invites esteemed organizations to participate in their on-campus placement activities. The college has a legacy of creating socially responsible and industry-ready professionals through rigorous academic and extracurricular activities. The college is a CPE GRADE 'A' autonomous college of the University of Lucknow and has produced successful alumni in various fields.

National P.G. College has achieved prestigious accreditations and has a Placement Cell initiative that forges strong relationships with recruiters. The college welcomes the 2023-2024 Placement Season and offers a talent pool of outstanding youth ready to face the world's challenges. Warm regards to each one of you.

FACILITIES ON CAMPUS

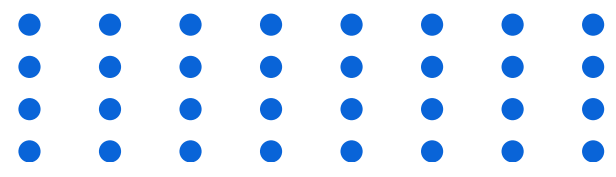

There is a canteen on the college campus. It caters to the nutritional needs of students and teachers in most hygienic conditions at subsidized rates.

There is a full-time permanent faculty for sports and Physical Education. Under the auspices of department various competitions, tournaments and events are organized. Students get proper training for participation in both indoor and outdoor activities.

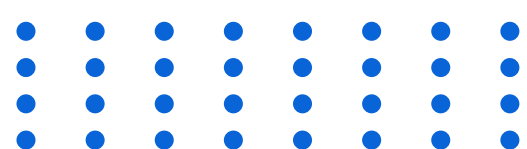

FACILITIES ON CAMPUS

To provide accommodation to both boys and girls, the college is providing an accommodation facility. There is a hostel for the girls with a capacity of 155 girls and there is also a hostel for the boys with a capacity of 100 boys.

The college library, besides being a conventional storehouse of printed material, has many facilities such as a Conventional Section of Books, Journals and Periodicals, E-Research Section, Audio Visual study material with the facility to play CDs and DVDs, and many more world-class facilities.

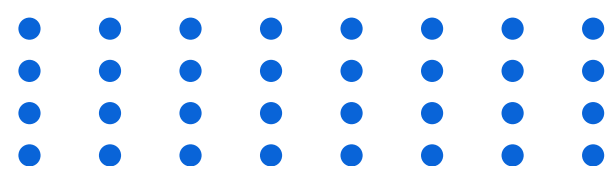

FACILITIES ON CAMPUS

TWO of the major programs for the implementation of outreach activities of the college are its national service scheme. (NSS) program and the national cadet corps (NCC) program. The former NCC Cadets of National P.G. College have excelled in every nation-building endeavor. There are three units of NSS in the college.

The computer lab provides computer and internet facilities to students and college staff in our college. Computers in computer labs are typically equipped with internet access, while scanners and printers may augment the lab setup.

PLACEMENT PROCEDURE

CONTACT

Organizations can reach us by dropping a mail at npgcplacement@gmail.com. Please add essential details about the organization, job description, eligibility criteria, stipend, etc.

PROCESS INITIATION

After getting all the essential information regarding the placement, we will circulate the information among the students. We accept applications through registrations or ask for resumes as per the organization's REQUIREMENTS.

REGISTRATION

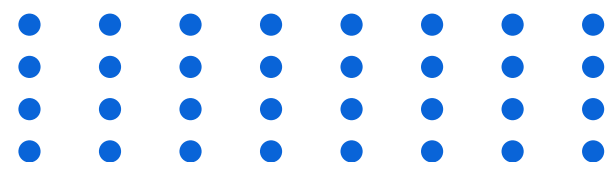

We will collect the registration and resumes of the students and share THEM with the organization. If students are shortlisted, they will be informed about the same and the further process.

SELECTION

The company is invited to our college for a pre-placement-talk. Our team will provide full assistance. The recruiter can then begin with the recruitment process. All the arrangements required for the process will be made by our team.

RESULTS

Once the selection process is over, the Placement committee is informed about the selected students, and all the information is shared. After that, the company and the candidate establish direct contact and the role of the cell ends here.
